Alcohol % 15.6

Harvest Date 10/1/2019

Bottling Date 5/10/2021

100% New French Oak:

Taransaud, Demptos,

& La Grange

2019 UNPRECEDENTED Cabernet Sauvignon

unprecedented ~ never done or known before

Even as 2020 dealt blow after blow to our lives, our country, our world, and most of the California wine industry, it was creating a “gift” for IMPLICIT CELLARS. Throughout that “unprecedented” year the wine we made in 2019 was quietly resting and maturing in our winemaker’s cave, developing different characteristics in each of the barrels we had chosen for that harvest. When we tasted each barrel in preparation for bottling, it was apparent that 3 of our 9 barrels were clearly better than the rest. We seized the opportunity to set aside a portion of each of those barrels and bottle just 12 cases—less than ½ barrel—of the best 2019 wine from IMPLICIT CELLARS. We are pleased to present to you, 2019 UNPRECEDENTED.

Winemaker Notes: Like the 2019 PRIVITY, The IMPLICIT CELLARS 2019 UNPRECEDENTED Cabernet Sauvignon displays a deep purple-red color with a black core. Fresh aromatics of blueberries, blackberry pie, crushed rock, anise, coffee-laden mineral accents, vanilla and a lifting waft of sage fill the glass. On the palate, the layered, rich essence of the wine is on full display, with deeply powerful cherry, chocolate, and exotic spice notes in full concert. The finish is long and supple, with abundant very fine tannins providing shape and length without ever getting in the way of the purity of fruit. ~ *Michael Hirby*
